*Pythons – Care and husbandry Course*

Rating: 5.0 out of 5

"This course is an absolutely amazing contribution to further python husbandry covering a lot of topics normally avoided or never thought of broken down into a step by step procedure. I personally believe this course should be made a prerequisite for anyone thinking of keeping pythons to avoid a lot of health issues commonly seen in the hobby. HIGHLY RECOMMENDED 10/10"

"Absolutely blown away with the detail and the way Steve has broken down the course into easy to understand sections. Both myself and my 7 year old daughter have taken away so much information that will assist us to better keep our snakes and understand them. Anyone who is even toying with the idea of getting a python, buying this course will save you in the long run and prevent costly mistakes. definitely worth it."
